

Haiti

This factsheet provides an overview of economic inclusion programs in Haiti. Economic inclusion programs are a bundle of coordinated, multidimensional interventions that support individuals, households, and communities in raising their incomes and building their assets. The data used for this factsheet comes from the Partnership for Economic Inclusion's Landscape Survey 2023.

ECONOMIC INCLUSION PROGRAMS SURVEYED

Program Name	Year program began	Lead Agencies	Program Description	No. of Current Participants	% Female Participants	Poverty Targeting	Digital
Changing The Way We Care (CTWWC)	2021	Catholic Relief Services (CRS)	The program provides families with support and resources to keep them intact. When separation is necessary, the program offers family-based care alternatives for children. The program provides financial education, income-generating activities, cash distribution, micro-savings, and lending groups.	70	76-99% of participants	Does not target by poverty level	Yes
Pathway to a Better Life	2007	Fondasyon Kole Zepòl (Fonkoze)	The program adapts the BRAC graduation approach, providing training, asset transfers, short-term cash stipends, health support, social integration through village committees, and resilience built through savings groups.	3,350	76-99% of participants	Targets XP/UP only	Yes
Pathway to a Better Life L	2022	Fondasyon Kole Zepòl (Fonkoze)	The program provides individual coaching, a short-term cash stipend, funds for economic activities, and organization into savings groups to families that do not require Fonkoze's full program.	1,700	76-99% of participants	Targets XP/UP only	Yes
Raising Up Again	2021	Fondasyon Kole Zepòl (Fonkoze)	The program provides individual coaching, a short-term cash stipend, funds for economic activities, and organization into savings groups to support families in extreme poverty who live in areas struck by general shocks.	4,700	76-99% of participants	Targets XP/UP only	Yes
Temporary Social Safety Net and Skills for Young People	2019	Social and Economic Fund (FAES)	The program aims to create a short-term social safety net for youth by providing skills training and supporting economic opportunities.	28,000	26-50% of participants	Targets poor broadly	Yes

Only programs that have given their consent to share their program data are included in this table

The Partnership for Economic Inclusion (PEI) is a global platform that unites non-governmental organizations, UN agencies, research institutions, funding partners, and the World Bank to support government adoption and scale up of economic inclusion programs that empower vulnerable people to lift themselves out of extreme poverty.
