

# Mexico

This factsheet provides an overview of economic inclusion programs in Mexico. Economic inclusion programs are a bundle of coordinated, multidimensional interventions that support individuals, households, and communities in raising their incomes and building their assets. The data used for this factsheet comes from the Partnership for Economic Inclusion's Landscape Survey 2023.

## ECONOMIC INCLUSION PROGRAMS SURVEYED

Program Name	Year program began	Lead Agencies	Program Description	No. of Current Participants	% Female Participants	Poverty Targeting	Digital
Impulsa Tu Rumbo Program	2022	Secretary of Social Protection and Opportunities under the Secretariat of Equality and Inclusion, Government of Nuevo Leon	The project supports the most vulnerable households in Nuevo León to increase and improve their productive, financial, human, and social assets.	14,000	76-99% of participants	Targets poor broadly	No
Dedicated Grant Mechanism for Indigenous People and Local Communities	2017	Rainforest Alliance	The project aims to strengthen the capacity of forest-dependent people from Selected States to participate in local, national and international REDD+ related processes.	3,850	26-50% of participants	Targets poor broadly	Yes
Support for the Social Reintegration Youth at Risk program	2022	Youth Directorate under the Secretary of Human Rights, State of Jalisco, Mexico.	The program aims to reduce recidivism of antisocial behavior in young people by providing cognitive-behavioral group therapy, individual mentoring, and occupational workshops, to support employment, entrepreneurship and school reintegration. The program is strengthened by a \$10,000 financial scholarship.	21	1-25% of participants	Does not target by poverty level	Yes
Strengthening Entrepreneurship in Productive Forest Landscapes	2018	National Forestry Commission	The project aims to strengthen sustainable forest management and increase economic opportunities for forest-dependent people and enterprises in selected forest landscapes in Mexico.	23,443	26-50% of participants	Targets poor broadly	Yes
Second Chance Education	2019	Prosociedad	The program seeks to support affordable and scalable learning and employment pathways for women in various contexts, focusing on those in disadvantaged situations.	133	All (100% of participants are female)	Targets poor broadly	Yes
Sowing Life Program (SLP)	2019	Federal Secretary of Welfare	The program provides economic and in-kind support, such as plants and seeds, and inputs, to rural agricultural households in socially backward municipalities who own or possess 2.5 hectares to support agroforestry projects.	450,038		Targets poor broadly	Yes
Strength, Unity, Empowerment, Resilience for Women in Extreme Poverty	2022	Trickle Up	The program addresses the interlinked problems of extreme poverty, the effects of crises, and the marginalization of indigenous women by increasing their financial inclusion, strengthening their voice and agency, and collaborating with other actors to address policy barriers.	3,623	All (100% of participants are female)	Targets poor broadly	Yes

Only programs that have given their consent to share their program data are included in this table

*The Partnership for Economic Inclusion (PEI) is a global platform that unites non-governmental organizations, UN agencies, research institutions, funding partners, and the World Bank to support government adoption and scale up of economic inclusion programs that empower vulnerable people to lift themselves out of extreme poverty.*
