

Mozambique

This factsheet provides an overview of economic inclusion programs in Mozambique. Economic inclusion programs are a bundle of coordinated, multidimensional interventions that support individuals, households, and communities in raising their incomes and building their assets. The data used for this factsheet comes from the Partnership for Economic Inclusion's Landscape Survey 2023.

COUNTRY FACTS

ECONOMIC INCLUSION PROGRAMS SURVEYED

Program Name	Year program began	Lead Agencies	Program Description	No. of Current Participants	% Female Participants	Poverty Targeting	Digital
Package of Economic Acceleration Measures (PAE), supported by the World Bank's Access to Finance & Economic Opportunities Project-Mais Oportunidades	2023	Zambezi Valley Development Agency	The project supports livelihoods, jobs, and economic transformation by increasing access to finance, improving the business environment, and developing firm capabilities, while mobilizing private capital for small and medium enterprises, supporting savings for economic and climate resilience, and expanding opportunities in targeted value chains.			Targets poor broadly	Yes
Emprega Program, supported by the World Bank's Harnessing the Demographic Dividend (HDD) Project	2020	National Youth Institute (INJ), under the State Secretariat for Youth and Employment (SEJE)	The program aims to promote productive employment opportunities for youth (18-35) by organizing a national business plan competition and providing productivity support services.	3,612	26-50% of participants	Targets poor broadly	Yes
Mozambique Conservation Areas for Biodiversity and Development - Phase 2	2018	National Fund for Sustainable Development	The program supports biodiversity conservation and community livelihoods by building on the first phase of the program and dedicating more resources to rural development in target landscapes.	5,033	26-50% of participants	Targets poor broadly	No
Forest Investment Project	2017	Ministry Agriculture and Rural Development	The project improves practices and the enabling environment for forest and land management in targeted landscapes by supporting the Government of Mozambique through an integrated landscape approach.	28,916	51-75% of participants	Targets XP/UP only	Yes
Rural Enterprise Finance Project (REFP)	2021	Fundación Capital	The Graduation component of this project aims to build the capacity of extremely poor families, enabling them to have sustainable incomes, enhanced resilience, and eventually graduate to mainstream economic activities.	4,897	51-75% of participants	Targets XP/UP only	Yes
Sustainable Rural Economy Program	2021	National Fund for Sustainable Development	The program improves the incomes and resilience of beneficiaries and selected rural areas.	65,000	26-50% of participants	Targets poor broadly	Yes
Zoe Empowers	2022	The Mozambique United Methodist Church	The program empowers orphaned children and vulnerable youth to overcome poverty through a family-based and peer-led program that promotes safety, health, and skills for long-term success.	747	51-75% of participants	Targets XP/UP only	Yes

Only programs that have given their consent to share their program data are included in this table

The Partnership for Economic Inclusion (PEI) is a global platform that unites non-governmental organizations, UN agencies, research institutions, funding partners, and the World Bank to support government adoption and scale up of economic inclusion programs that empower vulnerable people to lift themselves out of extreme poverty.
