

# Peru

This factsheet provides an overview of economic inclusion programs in Peru. Economic inclusion programs are a bundle of coordinated, multidimensional interventions that support individuals, households, and communities in raising their incomes and building their assets. The data used for this factsheet comes from the Partnership for Economic Inclusion’s Landscape Survey 2023.

## ECONOMIC INCLUSION PROGRAMS SURVEYED

Program Name	Year program began	Lead Agencies	Program Description	No. of Current Participants	% Female Participants	Poverty Targeting	Digital
Haku Wiñay/Noa Jayatai program	2014	Cooperation Fund for Social Development (FONCODES), under the Ministry of Development and Social Inclusion (MIDIS)	The program targets poor households that rely on subsistence economies in rural Peru. It aims to develop their productive and entrepreneurial capacities to access local markets and generate a sustainable economic income.	148,800	1-25% of participants	Targets poor broadly	Yes
Graduation Model Approach (GMA)	2020	HIAS	The program aims to alleviate poverty among vulnerable refugees and migrants through components such as psychosocial support, house visits, training in wage- and self-employment, financial literacy, soft skills, and economic support for savings and investment.	135	76-99% of participants	Targets poor broadly	Yes
Human Talent Consultancy Services (Wage Employment Facilitation)	2021	HIAS	The program facilitates wage employment for refugees and migrants by providing training and mentorship to prepare job seekers, and through employer engagement to support companies in recruitment.	1,367	76-99% of participants	Targets poor broadly	Yes
National Solidarity Assistance Program Pensión 65	2011	Ministry of Development and Social Inclusion (MIDIS)	The program provides financial subsidies to people over the age of 65 years who lack the basic conditions for their maintenance, promoting comprehensive protection, social protection networks, and access to health services for the elderly.	17,726	51-75% of participants	Targets poor broadly	Yes

Only programs that have given their consent to share their program data are included in this table

*The Partnership for Economic Inclusion (PEI) is a global platform that unites non-governmental organizations, UN agencies, research institutions, funding partners, and the World Bank to support government adoption and scale up of economic inclusion programs that empower vulnerable people to lift themselves out of extreme poverty.*
