The [Partnership for Economic Inclusion](#) is a global network that includes national governments, policymakers, development partners, and nongovernmental and research organizations. PEI is hosted by the World Bank's Social Protection and Jobs Global Practice and seeks to formalize partnerships now that will solidify an economic inclusion network that is global and far-reaching. PEI partners help develop economic inclusion programs and

contribute to evidence-based good practices that can be adapted to local conditions by governments and local or international agencies. Through their work, each partner is helping build a platform that will refine and enable the sharing of cutting-edge knowledge about what works in economic inclusion.
